Installation/Demos

All Globe equipment, except for the 30 quart to 80 quart mixers, can be installed/demonstrated by a Globe authorized servicer located within a 60 mile radius of the customer. For this service, add the additional amount of \$150 to the net price and note this on the purchase order.

IMPORTANT: For customers wishing to have a demonstration by a Globe authorized servicer and who are located outside of the 60 mile radius, you must contact Globe Food Equipment before placing the order.
