Hatco's new Glo-Ray® Curved Merchandising Warmers combine style and performance for a perfect fit

The Glo-Ray® GRCMW Heated Display Warmer is designed to move more product. With its single or dual shelf arrangements and a variety of options, you can create a design that fits your operation to a tee.
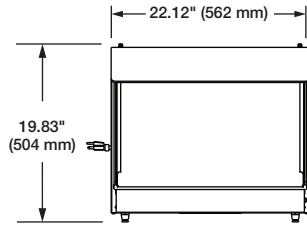

- Full-view food presentation entices grab-and-go customers and creates more impulse sales.
- Standard mirrored glass back panel and food-safe Xenon lights make food items stand out.
- Thermostatically-controlled heated base assures safe serving temps.
- Individual heat and humidity controls keep food at "just-prepared" freshness.
- Available in seven *Designer* colors and four decorative stone colors.
  - *Designer* colors: Warm Red, Black, Gray Granite, White Granite, Navy Blue, Hunter Green, Antique Copper.
  - Decorative stone colors: Gray Granite, Bermuda Sand, Night Sky, Sawgrass.

Style, performance, Hatco quality. It's an attractive addition to restaurants, fast food chains, convenience stores, schools, health care facilities, hotels, cafes — any operation that features self-serve or ready-to-go food holding.
