# SHELVING KITS

## Specially Designed Shelving Kits

- Flexible shelf adjustment - 1" increments
- Green Kote™ special epoxy coated finish provides extra protection from acidic foods
- Shelving layouts utilize maximum space for storage leaving the door opening clear of end standards
- Quick, easy assembly
- Rigid construction
- Stronger shelves
- Optional U-shaped systems

# CAPSULE PAK™ REFRIGERATION SYSTEMS

Capsule Pak™ Refrigeration Systems consist of a unitized system which is factory assembled, wired, charged, tested and fully equipped for insertion into a factory prepared walk-in opening. The Capsule Pak™ system has a flush coil which keeps all components outside, allowing more storage inside.

- Wall or ceiling mounted systems
- Optional Remote Capsule Pak™ Systems
- Indoor or outdoor models
- Temperatures: +35°F to +38°F, -10°F, -20°F
- UL & C-UL Listed
